

MI -Access Supported Independence Assessment Performance Level Descriptors

Performance Level	Performance Level Descriptor
Surpassed the Performance Standard	Students achieving at this level typically perform most, if not all , of the assessment activities with allowable or less than allowable assistance. They typically demonstrate successful performance on most, if not all , of the Performance Requirements, which are components of the Performance Expectations.
Attained the Performance Standard	Students achieving at this level typically perform many of the assessment activities with allowable or less than allowable assistance. They typically demonstrate successful performance on many of the Performance Requirements, which are components of the Performance Expectations.
Emerging Toward the Performance Standard	Students achieving at this level typically require more than allowable assistance in performing the assessment activities. They typically demonstrate successful performance on few of the Performance Requirements, which are components of the Performance Expectations.

Performance Expectations Assessed

- PE 1: Complete personal care, health, and fitness activities.
- PE 3: Manage personal work assignments.
- PE 5: Participate effectively in group situations.
- PE 6: Respond effectively to unexpected events.
- PE 7: Manage unstructured time.
- PE 8: Proceed appropriately toward the fulfillment of personal desires.

Note: Performance Expectations 2 and 4 are not assessed at the state level.
